January 18, 2013

To the Hinsdale South Athletic Club.

Thank you very much for the great contribution to the Girls and Boys Volleyball Program. By getting new referee stands, we are now able to host more feeder school volleyball matches and tournaments, which a great connection to our community.

Also, we are hosting our first Boys Volleyball Tournament in May 2013. Even though it is a lower level tournament, we are excited to have the capabilities to host an 8-team tournament here at Hinsdale South and hope that this is a stepping stone for future events. Some of the schools that have accepted the invite are past state champion's programs. We are anxious to get our season underway.

The Boys and Girls Volleyball Program can only grow in prestige from here. With the capabilities of having six courts of volleyball, the need for more referee stands was there. The possibilities are endless for us, and we could not have reached this stage without the generosity of the Athletic Club.

With great appreciation, we thank you.

Best.

Billson Rasavongxay

Varsity Boys Volleyball Coach
